

Hello Future Fifth Graders,

First, we would like to welcome you to fifth grade. Reading is an important part of your summer break, as it will help develop a strong vocabulary and build language skills. Two books are to be selected from the list below. A project will be assigned when you return to school in September.

Clements, Andrew

Frindle

Brink, Carol Rylie

Caddie Woodlawn

Rylant, Cynthia

Missing May

Armstrong, William

Souder

Ritter, John

The Boy Who Saved Baseball

Hiassan, Carl

Flush

Spinelli, Jerry

Crash

Woods, Ron

Hero

It is also important to reinforce your basic math skills. You are expected to know all multiplication facts through the 12 times table. Flash cards are useful for this goal.

Enjoy the summer!
